Old Business:

Calendar: Abby will send a cancellation notice for the calendar event created by Josh and resend the group a meeting invite to include the 10:15 – 11:15 a.m. timeslot for the remainder of the year.

AHIP Build Day Recap: Despite the wind and rain, attendees felt it was a successful and meaningful event.

Appy Hour Recap: Successful event. For future, confirm just one drink ticket per person and seek venue with no rental fees to stay within budget.

New Business:

June Cook Out: Postpone the Wednesday, June 6th event to Wednesday, June 20th from 4 – 6:30 p.m. at Cascadia Club House. Caitie has confirmed Craig Builders as a sponsor and will work to confirm Ryan Homes and Southern Development. Rachel will confirm the pizza truck; if they are not available we will provide hot dogs and hamburgers instead. Tours of the model homes will be offered and the primary activities will be a Corn Hole Tournament. MK (2), Austin (1), and Rachel (1) will provide corn hold boards. Abby will send change in date notice to all that are pre-registered including passholders. We need to determine who will be purchasing and bringing the remainder of the food supplies (cups, beverages, ice, napkins, plates, etc).

Boys & Girls Club fruit cups: MK will work to confirm Tuesday, June 26th as the next event date. Aaron indicated that Sloan Manis will sponsor the purchase of fruit for the event. Rachel and Caitie will serve as the two primary YPN crew at the event.

Unofficial Happy Hour: It was suggested that we host a breakfast or brunch coffee hour instead of an afternoon happy hour to see if we can engage new and different attendees. Rachel will reach out to the owners of a coffee shop opening up in the old Spud Nuts building. A date in July has not been selected yet.

Wet N Wild RPAC Event: Mallory will reach out to Zenas Choi to see if the Fredericksburg YPN Group would be interested in a Wet N Wild Challenge in Cville. Once we know of their interest we will confirm a date and Rachel will secure the rental at Darden Towe Park.

Meeting adjourned: 10:55 a.m.

Next Meeting: Thurs, June 14th @ 10:15 a.m. in the CAAR Office
