"I cannot speak highly enough about my experience going through the Pat Jensen Leadership Academy. The program content was top notch and far exceeded my expectations. Most importantly, I was able to form a lasting bond with my fellow REALTORS® who were in the inaugural class. Since graduating from the program, I have held or currently hold positions on several boards and committees with confidence because of my experience. I can enthusiastically recommend the PJLA to all CAAR members who wish to further their knowledge and readiness for local and state leadership positions. "

"I was honored to participate in the first Pat Jensen Leadership Academy. Pat was such a wonderful Manager and mentor for us all. I learned so much about myself both personally and professionally. The fellowship with my colleagues was an amazing experience and I was proud to be a part of this group. It's not just work and learning, there were fun events with lots of laughter and sharing of ideas. Please consider enrolling - you will be grateful you did."

"I want to encourage anyone who may be considering getting involved with leadership in CAAR to apply for the Pat Jensen Leadership Academy. As a graduate of the first PJLA, I can attest to how valuable that program has been to my development as a leader of the Association, but also for my personal growth as a business professional. The PJLA sessions will provide tools for you to raise the bar as a leader in every aspect of your professional life and service to the community. The various sessions were well thought out, intentionally crafted, interactive, and engaging. They brought in area professionals who are experts in their fields, in addition to CAAR member instructors."

"The Pat Jensen Leadership Academy provides an all encompassing look at what it takes to be a great REALTOR®. Pat Jensen knew that it wasn't just about the number of sales or amount of commissions you earned, but that giving back to the community, both CAAR and our local community, is what helps us bring value to the people we serve. This Academy will give you a holistic view of all of the pieces that make up the beautiful puzzle that is the wonderful world of real estate. If you are thinking of getting more involved in CAAR and your local community, there is no better way to do than to apply for the Pat Jensen Leadership Academy. You will be glad you did!"
